Founders' Vision and Message: "Built to Adapt"

Dear Stakeholders,

It is my pleasure to welcome you to the 13th Annual General Meeting (AGM) of our Company.

With immense pleasure for tremendous fighting spirit, at the very outset I would like to congratulate each and every Prime Fresh team member – who stood tall in these trying times and did not escape for a moment from performing their duties being in the essential commodities trade. A hearty thanks to all our stakeholders, as well, for bestowing their trust and being by our side in these COVID-19 pandemic times. World and its people have got closer like never before, and, so have we @ Prime Fresh.

Like I had mentioned in my last year's communication "The Agro Product industry has been slated for accelerated growth. It is projected to be a futuristic industry and it is anticipated that, over the years, India has the potential to emerge as a leading player in the global agricultural sector. As a result, the industry is seen to be witnessing feverish activity." This has come to be word by word factual where Necessities have played a vital role over the luxury during past few months. Nutrition and dietary needs have taken the front seat versus the unconventional eating and living habits.

Prime Fresh Limited has emerged & evolved relentlessly as fully integrated end to end Fruits and vegetables post-harvest Management Company over the last 13 years as it had envisaged.

We at Prime always believed in an Opportunity to create a decentralized fruit & vegetable supply chain model beyond the traditional prevailing APMC model by improving infrastructure, building collection centers, distributions centers, adding Cold Storages (including collaborations with multiple third party facilities and service providers) at several common points closer to the farms for better viability and longer fresh produce shelf life. This time around, our belief and the government office bearers' sequence is moving towards the same direction. Depending on age old APMC model will no longer be acceptable due to the changed scenario and fair trade dynamics.

Support to farmers by government has enabled a tremendous strength in them to upsurge F&V production growth & Improve Farm management practices with several initiatives such as River linking, water harvesting, water reservoirs, Kisan credit card schemes and other schemes for farmers by Government. On the other hand, FPO tax exemption and proliferation of huge FPOs is providing future security to productivity, yield, quality and scale.

Emergence of many progressive farmers and Prime's massive networking with such groups of over 30,000 Farmers, 52+ Agriculture Markets & 600+ Trade Partners have lead Prime Fresh to have a sustained prevalence amongst the stakeholders at multiple levels of the trade right from harvesting up to last mile delivery.

While having hands on experience as a supplier and service provider to numerous corporates and modern trades, Prime management envisaged the scope of transformation in the B2C model of Fruits & Vegetables because of the evolving trend in consumer centricity. Under the dexterous guidance of company management and with very dynamic team, Prime Fresh stepped onto the e-commerce platform in CY-2020 during COVID-19 to stretch the first-ever B2C wing in Ahmedabad, Mumbai, Thane & Navi Mumbai regions and support the fight/war against COVID-19. Prime Fresh always followed hygiene, cleanliness, packing and servicing through value added approach beyond the traditional methodology which is now being understood, valued and well accepted by the consumers/ stake holders/ society at large.

Team Prime, this year engrossed in special initiatives to connect with NGOs, Agricultural universities, government departments, retired Agri professionals, New Age F&V Start-ups to ensure timely and smooth functioning of complete value chain from sourcing to distribution with proper meticulous minute planning in the perishable segment.

Company has also not left any stones unturned in hiring young energetic far sighted team.

To give further insight, this year (CY-2020), we also started our own focused exports of Grapes to Netherlands by availing various certifications to export F&V to Europe with the help of a dedicated team.

Precisely from hereon, our Agendas & Top Priorities for the coming times are:

- Spend more time and resources in education, training, new processes, building more viable model and adding more integrated infrastructure.
- Tie-up with more organized players, collaborate for common resources and build a model around better planned sourcing and supply.
- Invest in technology, Grading instruments, automated equipment's, and vehicles etc. to adapt more hygiene practices.

- Backward and forward integration strategy implementation with all possible stakeholders by helping Local Area Aggregators, unskilled and semi-skilled human resources.
- Focus on supplying to Food processing industry, Global buyers and Traditional vendors which is emerging as a major growth driver for the Agri produce.

Finally with pride please be informed, SMERA ASSIGNED THE Highest rating to Prime Fresh Limited "MSME 1", CRISIL assigned the rating BB+ Stable to your ISO rated company.

I, on behalf of Prime Fresh family, would like to thank each one of you who joined us in this ongoing endless journey to serve in whichever direct / indirect possible way and looking forward to Walk further along for a Fresher tomorrow to a new era of Prime opportunities.

ANNEXURE TO THE DIRECTORS' REPORT**ANNEXURE - 'A'****MANAGEMENT DISCUSSION AND ANALYSIS REPORT****ECONOMIC OVERVIEW:**

The global business have passed through multiple shocks during financial year 2020 which resulted in volatile movement in global trade viz.,

- Attack on the Saudi Oil Facilities
- Trade war and tariff restriction between US-China
- Crude oil and other commodities except gold touching multi-year lows
- Covid19 the global pandemic, the biggest disruptor for the global trade as multiple countries went under lockdown (~3 – 10 weeks) ultimately disrupting the entire supply chain

The world passed through a tough phase of business environment due to unprecedented spread of this pandemic.

The Indian economy passed through difficult times with reduced growth. The monsoon started on a good note however it was quite erratic and prolonged in many parts of the country. It adversely affected many crops yield and quality.

Indian agriculture has played a key role in the country's growth story. India is the second-largest agricultural land holder in the world, with 157.35 Million hectares under cultivation at present. The country exhibits all 15 major climatic conditions observed worldwide and has 20 different agro-climatic regions, enabling farmers to cultivate a large variety of crops.

Agriculture and allied industries continue to be a source of livelihood for about 58% of India's population, making its growth imperative for the inclusive economic growth of the country. Food grain production in India has had an upward graph over the past few years. India has also emerged as a major agricultural exporter with INR 2,700 Billion of agri-exports in FY 2020.

There has been reduction in the contribution of Agriculture in overall GDP because of rising urbanization and limited or degraded natural resources, fragmented land holdings owing to the majority of farmers being smallholders, and lack of access to latest technologies and awareness on good agricultural practices.

The Government of India has announced several pro farmer policies over the past few years. It has set an ambitious goal to double farmers' income by 2022 and has undertaken reformative initiatives.

During the Covid-19 crisis, the government of India, through its various ministries, announced various relief measures including Atmanirbhar Bharat having medium and long-term solutions viz., 1) Rs 1.63 lakh crores outlay towards agriculture and allied sectors aimed at strengthening infrastructure, logistics and capacity building at farm gate, 2) Amending the stringent Essential Commodities Act (ESA) to remove cereals, edible oil, oil seeds, pulses, onions and potato from its purview, 3) A new law will be framed to give farmers the option to choose the market where they want to sell their produce by removing inter-state trade barriers and providing e-trading of agriculture produce.

BUSINESS AND FINANCIAL REVIEW:

During the year FY 2020, your Company has taken various initiatives to strengthen the relationship with the stakeholders and grow along with them.

- Established relationship with 20+ Cold Storage and ripening capabilities for providing post-harvest storage, processing & packing facilities.
- Obtained Global GAP certification for exports.
- Expansion of customer base in North & North Eastern region.
- Started Exports to European region.
- Collaboration with Agri Startups and Large players for supporting end to end operations like Procurement, Sorting, Grading, Packaging etc.

The persistent efforts are visible in the qualitative and quantitative performance of your company. On a consolidated basis, your company's net sales for FY 2020 have grown by 13.18 % YoY to Rs. 49.96 Cr. The Profit after Tax (PAT) has shown a strong jump of 30.27% YoY to 1.65 Cr. On a standalone basis, your company's net sales for FY 2020 have grown by 9.42 % YoY to Rs. 47.24 Cr. The Profit after Tax (PAT) has shown a strong jump of 28.74% YoY to 1.62 Cr.

Your company, Prime Fresh Limited led by a dynamic management with an outlook to serve, support & adapt by an aptly experienced team, is an integrated player operating across Fresh Fruits & Vegetables Value Chain and service provider for large corporates, Exporters and Retail giants.

GROWING HORTICULTURE MARKET POTENTIAL:

The scenario of horticulture crops in India has become very encouraging. **The share of horticulture output in Agriculture has become 33%.**

The **organized retailing industry** grew at **~18% CAGR** between 2014 and 2019. It is expected to grow at 19-21% CAGR in the long term on back of new store roll-outs, increase in penetration in Tier 2 and 3 cities and increasing disposable income.

Among other verticals, **food & grocery retail is expected to grow fastest** on back of significant offline as well as online impetus. Consequently, the **organized retail penetration (ORP)** is expected to increase to **~15% by 2024**.

Of the total organized retail industry, the **food & grocery segment accounts for about 19% share** (value terms), but remains the **most under-penetrated segment at an estimated 3.6%**, with unorganized players (such as mom-and-pop kirana stores, cart vendors and wet markets) still dominating the market.

The low organized retail penetration (ORP) in the segment signals tremendous opportunity for organized players. Further, amidst this pandemic enhanced focus towards hygienically packed produce, minimum touch or contact less delivery, regular availability, traceability, affordable prices would increase market share for organized players like your Company.

INDUSTRY STRUCTURE AND DEVELOPMENTS:

Indian food supply (IFS) chain was disrupted in the first couple of weeks of lockdown, announced in India during third week of March'2020. The timing could not have been worse from agriculture sector perspective as it was the harvest season for Rabi (winter) crop and then Kharif (Monsoon) sowing had to start. The supply chain needed immediate solutions and remedial measures to connect farmers with markets. It was important from both farmer and end consumer perspective.

Perishable food items, such as fresh fruits and vegetables, are severely affected due to the COVID-19 lockdown. Initial speculation with respect to the situation, resulted in hoarding of semi-perishable items such as potatoes, tomato and onions, followed by sudden spike in demand, impacting retail prices. Pile up of harvested and un-harvested perishables have caused farmers losses of INR 15,000 crores and this is estimated to swell to ~50,000 crores across the lockdown period till June 2020.

Mango growers across the country are expected to lose close to INR 6,000 crores this season. Grapes farmers are forced to convert their produce to raisins as exports are at a standstill due to logistical challenges. The air freight charges have increased significantly impacting all exporters.

Chinese imports have stalled since January 2020. Hence, availability of manual and semi-manual farm equipment used by small and marginal farmers engaged in fruits and vegetable farming has witnessed shortages.

The fruits and vegetables sector is primarily unorganized, with 95% sales coming through sole owned provision stores, convenient stores, petty hawkers, itinerant vendors, etc. The lockdown has resulted in complete disruption of this network. Trucks and other vehicles for transportation have not been reaching farmers in many parts of the country.

BUSINESS MODEL:

OPPORTUNITIES AND THREATS:

Industry Growth

- There is exponential growth expected in the rate of organization of F&V trade, over the next 8-10 years, which provides huge opportunity for organized players like Prime.

Export Opportunities

- Exports present a large opportunity for Indian F&V companies, given that India has just 1% share in global market despite being among the largest producer of many fruits & vegetables.
- The establishment of proper sourcing, storage and transportation facilities together with compliance with requisite norms shall play a crucial role in export growth for players like Prime.

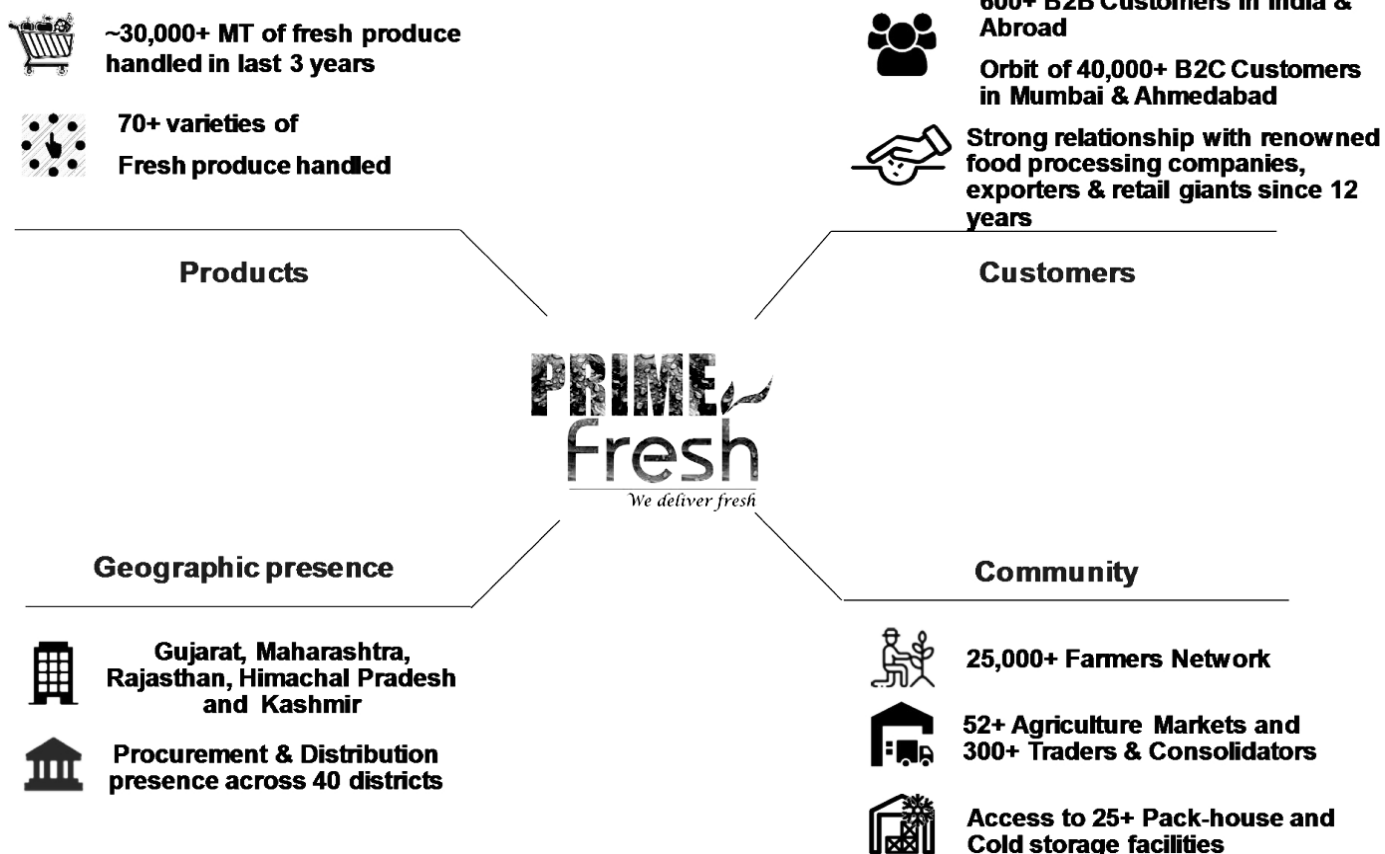

Increasing government support

- Government has launched initiatives like Mission for Integrated Development, funding support for capital expenditures and technology development among others to enable move up in value chain.
- Government bodies like APEDA have schemes to provide funding support to fresh fruits, vegetables and processed food industry.
- Under Mega Food Park Scheme (which aims to bring together farmers, producers, retails) support of INR 50 crore per project is given. A funding support of INR 10 crore is available, under scheme for cold chain, for set up of integrated cold chain & preservation infrastructure.

- Wide spread growing belts, poor supply chain linkage and accessibility
- Completely unorganized and highly dynamic markets
- Necessity of aggregator's service to fulfill the requirement due to small and traditional farmer networks
- No value added service at source – requires multiple handling.
- Requirement of a highly experienced and technically qualified team, with sound knowledge of growing belts, seasonality, etc. Maintaining such skilled manpower is highly expensive and challenging
- Government policies.
- Vague thinking of major strong nation's leading to maximum impact on emerging markets like India.
- Uncertainty on monsoon and threat of global warming on it.
- Potential to increase global trade war.
- Prolonged impact of the COVID19 pandemic.

OUTLOOK:

Your Company has established a procurement bandwidth of 100,000 MT of Fruits and Vegetables across 40 districts of Maharashtra, Gujarat and Rajasthan.

Outlook for business going forward looks bright in view of the below mentioned initiatives undertaken by your company.

- **Strengthening its Procurement bandwidth by** adding new raw material supply sources such as Collection Centers, Farm Producer Organizations, APMCs.
- Expanding across the categories viz., Grapes, Banana, Orange and few other vegetables to have deeper engagement with clients in the domestic and international markets to ensure better sales growth and increase in profitability over a period of time.
- **Expanding Domestic Geographical Reach:** In North India, North East India and South India which would help in de-risking the business operations by limiting the dependence on buyer and different grades can be supplied to different geographical markets leading to better product mix ultimately to better margin profile.
- Expanding footprint beyond the domestic boundaries: tapping global markets through increasing export business, which presents huge potential going forward.
- Leveraging technology through social media and online platforms for promoting business throughout the country.
- Active participation and collaboration with new tech-based Agri startups including Ninjacart, Amazon, FreshVnF, FnVFarms etc.

RISKS AND CONCERNS:

Every business has both Risk and Return and they are inseparable. As a responsible management, the Company's principal endeavor is to maximize returns. Your company has implemented maker checker concept to minimize risks and expenses through detailed studies and interaction with experts. The Company has developed a comprehensive framework of robust mechanisms and processes to identify risks that may negatively impact its operations and profitability. It has well-placed risk monitoring systems for swift response to safeguard itself from the permanent loss of capital and ensure sustenance of operational performance.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY:

The Company and the Management has established adequate Internal Control systems to ensure reliable financial reporting. Internal Controls also help in assessing, evaluating, safeguarding and shielding the Company from losses and unofficial use or deposition of assets. This ensures that the Company's resources are put to optimum use and all transactions are authorized, recorded and reported correctly to the Management. The Company constantly refines its internal controls to ensure effectiveness and efficiencies of operating procedures. The Company always adheres to set

guidelines and follows all Accounting Standards prescribed for maintenance of books of accounts and reporting of financial statements. These standards require appointed Independent Internal Auditors to plan risk based audits and execute audits to assess the effectiveness of internal control over various areas of operations and financial reporting throughout the year. Summary of the observation by Internal Auditors is reported to the Audit Committee of the Board of Directors and corrective measures are taken. The Internal Control systems are designed to provide assurances on an ongoing basis so that the business operations function efficiently and ensure that applicable laws, rules, regulations and policies of the Company are followed and the reliability of financial reporting is safeguarded.

IMPACT OF COVID19:

All of us are aware that COVID-2019 has been severely impacting most of the sectors across India & the Globe. The Event has been once in life time, sudden and swift. Prime Fresh Limited (Formerly known as Prime Customer Services Limited) is not an exception to the massive consequences & impact on several business matrix and variables for a shorter and medium term both. We must mention that this was an additional second negative event during FY2020 after an extended monsoon during October and November 2019 which also impacted the business volumes. Effectively, your company has been hit by 2 months of business losses for FY2020 due to both the events mentioned above. However, we see many exciting opportunities unfolding over the long-term as a result several changes happening in our social, economic and consumer behavior environment.

Briefly, explaining the implications, there was a sudden lock jam and shut down of many activities across our business models, both service and Fruits & Vegetables supply chain operations for most of our locations, clients segments and mobility of various team members. These all had immediate knee jerk reactions on our sales and business transactions, future orders flows, exports business outlook, stock at farms, stock in transit and stock at various locations. Receivables, Collection cycle, and payment terms may have been impacted temporarily & hence the impact on cash flows and overall company positioning for near to medium term.

Sales & Business Transactions:

Company's B to B domestic and exports sales and existing orders were not serviceable or had to be postponed and cancelled in many cases. This had a major impact for about 15 days of sales during March 2020. Our preliminary estimates suggests that our sales would have been higher by about 3 crores during March 2020 had the COVID-2019 Pandemic not occurred (About 40% drop vs internal estimate of March-2020 sales of 7 crores & Impact of 6% plus for FY2020 Sales). The sales for the new FY2021 for the first 3 months April to June are also likely to be negatively impacted by 7-9 crores vs internal estimates of growth and base number both for last year FY2020

F & V Stock:

As a Business policy company generally follows a practice of stock on hand, (stock at farm, stock in transit and stock at various Collection centers, warehouses and cold storages cold storages) between 1.5-1.9 cr, however, due to a sudden and swift lockdown company could not liquidate F & V stock by the end of 31st march 2020 and hence resulting in a higher stock by about 1 crore which would have impact on cash flows and margins during coming months as well. The sudden decline in prices of various our products may also further impact the realizations & profitability going forward. However, PFL (Prime Fresh Limited) ensured that all its farmers & suppliers are paid and materials were lifted as per company's commitments.

Receivables:

The Lockdown resulted in a massive & sudden decline in people movements, liquidity rotation and slowdown in business cycle. Many people who purchases from our clients or many retail stores and individual semi wholesalers suddenly had to shut their business activities and hence there was a huge decline in our collections for more than 70 days. Our average collections per day have fallen from average of 17-18 lakhs to 5-6 lakhs average per day. Hence, receivables positions have risen sharply by the end of FY2020. Our preliminary estimate suggest that our receivables would have been lower by about 1.5 to 2.0 crores in a normal business cycle had the lockdown not happen. This may eventually also impact on recovery and some bad debts going forward.

Impact on productivity, cost, people mobility, Cash flows and future growth drivers:

Fruits & Vegetables supply chain, warehousing and 3PL services business are highly dependent on people, mobility, logistics, and transportation and consumers off take from retail outlets. The Business model and overall structure of the industry is highly dependent on strong operating and people efficiency and quality of productivity. The Lock-down had a major impact on all these variables and such performance parameters. This has also blunt the future near term growth outlook from various segments like modern trade, exports and food processing sector. However, every organization has a fixed costs structure and particularly business has a very low margins. This will definitely impact the profitability, cash flows and working capital cycle further. The cold storages charges transportation charges and other wages relating to sorting, grading, packing and such support services are likely to go up going forward. Company may have to revise internal growth targets down wards and focus more on revival and stability. Our Preliminary estimates suggest that overall cash flows impact on Balance sheet could be to the tune of 3-4 crores over the last few month and next few months. This may require us to pump in more debt or equity or both to reach to previous era of growth trajectory or focus more on consolidation & slowly get back to previous peak sales cycle of February 2020.

Summary:

Overall impact of all above variable may impact negatively for a while but with the Various Government schemes and hard work of Prime Fresh team will take normalcy at the earliest. Company's sales, cost structure, profitability and cash flows will be impacted badly and PFL will require increasing focus on B TO C business and reducing dependency on APMC, Exports and other segments of sales. However, company continue to invest in people, processes, new network of farmers, clients and building other infrastructure to ensure that multiple long-term growth drivers remain intact. The strong management team, sustained investments over the last few years in various growth drivers, continued improvement in business model and Omni channel sales strategy should definitely ensure that company keeps growing and emerges as a much stronger, organized and bigger player in Indian F & V industry.

INDEPENDENT AUDITOR'S REPORT

To The Members of
Prime Fresh Limited
Formerly Known as Prime Customer Services Limited

Report on the Audit of the Standalone Financial Statements

Opinion:

We have audited the accompanying standalone financial statements of Prime Fresh Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss, including the Statement of Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information. (Hereinafter referred to as "the Financial Statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2006 as amended, ("AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, the Profit and its cash flows for the year ended on that date.

Basis for Opinion:

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon:

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Standalone Financial Statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. We have been provided the aforesaid reports and based on the work we have performed, we did not observe any material misstatement of this other information and accordingly, we have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements:

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant

to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements:

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report, where applicable and unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure “B” to the Independent Auditor’s Report

(Referred to in paragraph 2(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the members of Prime Fresh Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Prime Fresh Limited (“the Company”) as of March 31, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls:

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (“the Act”) .

Auditor’s Responsibility:

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (‘the Guidance Note’) and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting:

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting:

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE NO. 23: SIGNIFICANT ACCOUNTING POLICIES:**a) Accounting Conventions :**

The Financial Statements of the Company are prepared under the historical cost convention on accrual basis of accounting and in accordance with the mandatory accounting standards issued by the Institute of Chartered Accountants of India and referred to in section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and generally accepted accounting principles in India except AS-15 "Employee Benefits" relating to provision for leave encashment and bonus which are accounted as per Note No. 23(h) below. The accounting policies not referred to otherwise have been consistently applied by the Company during the year.

b) Use of Estimates :

The preparation of financial statements in accordance with the GAAP requires management to make estimates and assumptions that may affect the reported amount of assets and liabilities, classification of assets and liabilities into non-current and current and disclosures relating to contingent liabilities as at the date of financial statements and the reported amounts of income and expenses during the reporting period. Although the financial statements have been prepared based on the management's best knowledge of current events and procedures/actions, the actual results may differ on the final outcome of the matter/transaction to which the estimates relates.

c) Property Plant and Equipments :

Property Plant and Equipments are stated at cost of acquisition/construction (less Accumulated Depreciation, if any). The cost of Property Plant and Equipments comprises of their purchase price, including freight, duties, taxes or levies and directly attributable cost of bringing the assets to their working conditions for their intended use

d) Intangible Assets :

The Intangible Assets of Accounting Software has been recognized at their cost of acquisition. On the basis of the availability of this asset for its intended use, relevant contractual agreements and technological changes that may affect the usefulness of these assets, the useful lives of these assets have been assumed to be of five years from the date of their acquisition.

e) Depreciation :

The Depreciation on Tangible Fixed Assets is provided on written down value method (WDV) for the period of acquisition/construction i.e. from the period from which such assets were available for their intended use on pro-rata basis on the basis of useful life of each of the fixed assets as per Schedule II of the Companies Act, 2013 and in the manner specified in Schedule II of the Companies Act, 2013.

The intangible assets have been depreciated on pro-rata basis over period of their estimated useful lives on straight line basis i.e. @ 20.00%.

f) Inventories :

The company trades in fruits, vegetables and other perishable items which are purchased from the market as well as farmers. At times the trading inventories are stored/located at various locations including with farmers, traders, warehouse, cold storage etc. The fruits, vegetables and other perishable items due their nature, storage facilities and other affecting factors are subject to environmental and other effects and hence the quality and quantity of such items may change from time to time. The valuation of inventories of fruits, vegetables and other perishable items have been carried out by the management of the company keeping view all such factors and after physically verifying the stock located at various locations have valued inventories at cost or market value whichever is lower based on the assessment of physical conditions of various items by the management as to their quality and quantity. The items of packing materials have been valued at cost or market value whichever is lower.

g) Retirement Benefit :

The Company's contribution to Provident Fund and ESIC etc. is charged to the Statement of Profit & Loss. The company has not made provision for gratuity in respect of employee as it is charged to Profit and Loss account on cash basis. No provisions for leave encashment, bonus and other terminal employee benefits as may be applicable to the company have been made and are/ will be accounted for as and when paid.

h) Provisions, Contingent Liabilities and Contingent Assets :

The Company recognizes a provision when there is a present obligation as a result of a past event that probably requires an outflow of the Company's resources embodying economic benefits and a reliable estimate can be made of the amount of the obligation. A disclosure of contingent liabilities is made when there is a possible obligation that may, but probably will not, require an outflow of resources. As a measure of prudence, the contingent assets are not recognized.

i) Revenue Recognition :

All income and expenses are accounted on accrual basis. The Company recognised sale of Goods when it had

transferred the property in Goods to the buyer for a price or all significant risks and rewards of ownership had been transferred to the buyer and no significant uncertainty existed as to the amount of consideration that would be derived from such sale. The recognition event is usually the dispatch of goods to the buyer such that the Company retains no effective control over the goods dispatched. Income from service charges of manpower supply services, handling charges, packing services, storage and warehousing and other services are accounted on completion of services for the respective client as evidenced by the issue of invoices for the respective service to that client and are accounted as per the date on invoice. Income from investments, where appropriate, is taken into revenue in full on declaration or accrual and tax deducted at source thereon is treated as advance tax.

j) Investments :

All investments are classified as long term investments as they are intended to be held for more than one year from the date when they were acquired. All investments are, initially recognized at cost The investments are carried at cost of acquisition.

k) Borrowing Costs :

The borrowing costs are debited to the Statement of Profit and Loss of the current year as they are incurred.

l) Taxes on Income :

Tax expense comprises of current tax and deferred tax. Provision for current tax is made on the estimated taxable income and at the rate applicable to the relevant assessment year under the Income tax Act, 1961. Deferred income taxes are recognized for future consequences attributable to timing differences between financial determination of income and determination as of income as per applicable tax laws.

o) Foreign Currency Transactions :

The transactions in foreign currency have been recorded using the rate of exchange prevailing on the date of transactions.

p) Impairment of Assets :

The management of the company has as at 31st March, 2020 has assessed the recoverable value of its fixed assets and is of the view that the plant along with other fixed assets were available for production and business purposes and the entire fixed assets have recoverable value on overall basis which is greater than their carrying amount as at the balance sheet date and hence no provision for impairment of assets was required to be made for the year ended 31st March, 2020.

NOTE No. 24:

All the monies amounting to Rs.2.70 crores received pursuant to the SME-IPO of the company which was listed on BSE-SME Platform on 31.03.2017, has been utilized for the purposes it was raised for and had been duly reported in the last audited financial statement and to BSE.

NOTE NO. 25: ADDITIONAL INFORMATION:

- As informed by the management, the company has initiated the process of obtaining confirmations from suppliers as to their status as Micro, Small or Medium Enterprise registered under the applicable category as per the provisions of the Micro, Small and Medium Enterprises (Development) Act, 2006 (MSMED Act, 2006). In absence of the relevant information as to the status of the suppliers, the balance due to Micro, Small and Medium Enterprises and interest due to them if any as per the provision of the Micro, Small and Medium Enterprises (Development) Act, 2006 (MSMED Act, 2006) could not be disclosed or provided.
- In the opinion of the Board of Directors, Current assets, loans and advances have a value on realisation in the ordinary course of business equal to the amount at which they are stated in the balance sheet.

3. The classification of all items of asset and liabilities into non-current and current has been made by the management of the company based on conditions, terms of transactions and other relevant factors at the relevant time as envisaged by the management. In view of the management of the company all assets that are ordinarily realizable in the ordinary course of business have been classified as current assets though there may not have been any realization from such items during the year and may have been outstanding since long. Likewise, all liabilities that are to be settled within one year or in the normal course of business are classified as current liabilities though they may not have been settled during the year since last year.
4. The balances of debtors, creditors, advances to farmers, loans and advances and other assets and liabilities are subject to confirmation and subsequent reconciliations.
5. The books of account have been audited on the basis of such records and documentary evidences as were available with the management and produced before the auditors. Where such documentary evidences have not been made available to the auditors, the auditors have relied upon the entries as authenticated by the management of the company and information and explanations provided to the auditors by the management.
6. **Foreign Currency Transactions :**
- VALUE OF IMPORTS ON C.I.F. BASIS : NIL (Previous Year: NIL)
- EXPENDITURE IN FOREIGN CURRENCY : NIL (Previous Year: NIL)
- VALUE OF EXPORTS ON F.O.B. BASIS : 100, 96,088 (Previous Year: Rs. NIL)
7. The company trades in various items of fruits and vegetables and other perishables purchased from the market in bulk and make the sales as per the requirement of the customers. In the opinion of the management of the company due to the perishable nature of items and number of items involved it is not feasible for the company to maintain quantitative records of goods traded by the company during the year.
8. Paise are rounded up to the nearest of rupee. The previous year groupings have been regrouped and rearranged by the company.

INDEPENDENT AUDITOR'S REPORT

To The Members of
Prime Fresh Limited
Formerly Known as Prime Customer Services Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of Prime Fresh Limited (hereinafter referred to as the "Holding Company") and its subsidiary (Holding Company and its subsidiary together referred to as "the Group"), which comprise the consolidated Balance Sheet as at March 31, 2020, the consolidated Statement of Profit and Loss and the consolidated Statement of Cash Flows for the year ended on that date, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2006 as amended, ("AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2020, the consolidated Profit and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated Financial Statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. We have been provided the aforesaid reports and based on the work we have performed, we did not observe any material misstatement of this other information and accordingly, we have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements:

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Company in accordance with the AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and

completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Financial Statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements:

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report, where applicable and unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss and the Consolidated Statement of Cash Flow dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid consolidated financial statements comply with the AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 as amended;
 - e. On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors of Group Companies is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164(2) of the Act;
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Group's internal financial controls over financial reporting;
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197 of the act, as amended in our opinion, the managerial remuneration for the year ended March 31, 2020 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Group has no pending litigations which has any impact on the consolidated financial position in its consolidated financial statements.
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Group;

Annexure "A" to the Independent Auditor's Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of Prime Fresh Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2020, we have audited the internal financial controls over financial reporting of Prime Fresh Limited (hereinafter referred to as "the Holding Company") as of March 31, 2020

Management's Responsibility for Internal Financial Controls:

The respective Board of Directors of the Holding company and its subsidiary company, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the

Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ("the Act") .

Auditor's Responsibility:

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('the Guidance Note') and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting:

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting:

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE NO. 23: SIGNIFICANT ACCOUNTING POLICIES:**a) Accounting Conventions :**

The Financial Statements of the Company are prepared under the historical cost convention on accrual basis of accounting and in accordance with the mandatory accounting standards issued by the Institute of Chartered Accountants of India and referred to in section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and generally accepted accounting principles in India except AS-15 "Employee Benefits" relating to provision for leave encashment and bonus which are accounted as per Note No. 23(h) below. The accounting policies not referred to otherwise have been consistently applied by the Company during the year.

b) Basis of Consolidation :

The Consolidated Financial Statement (CFS) relates to Prime Fresh Limited (Formerly Known as Prime Customer Services Limited) and its wholly owned subsidiary Florens Farming Private Limited and Florens Fresh Supply Solutions Private Limited. The CFS have been prepaid on following basis :

- i. The financial statement of parent company and its subsidiary company have been consolidated on a line by line basis by adding together the book values of the items like assets, liabilities, income and expenses.
- ii. CFS are prepaid after fully eliminating intra group balances, inter group transactions and unrealized profits from the intra group transactions.
- iii. The consolidated financial statements are prepared to the extent possible using uniform accounting policies for like transactions and other events in similar circumstances and are presented to extent possible, in the same manner as the Company's separate financial statements.

c) Use of Estimates :

The preparation of financial statements in accordance with the GAAP requires management to make estimates and assumptions that may affect the reported amount of assets and liabilities, classification of assets and liabilities into non-current and current and disclosures relating to contingent liabilities as at the date of financial statements and the reported amounts of income and expenses during the reporting period. Although the financial statements have been prepared based on the management's best knowledge of current events and procedures/actions, the actual results may differ on the final outcome of the matter/transaction to which the estimates relates.

d) Property Plant and Equipments :

Property Plant and Equipments are stated at cost of acquisition/construction (less Accumulated Depreciation, if any). The cost of Property Plant and Equipments comprises of their purchase price, including freight, duties, taxes or levies and directly attributable cost of bringing the assets to their working conditions for their intended use

e) Intangible Assets :

The Intangible Assets of Accounting Software has been recognized at their cost of acquisition. On the basis of the availability of this asset for its intended use, relevant contractual agreements and technological changes that may affect the usefulness of these assets, the useful lives of these assets have been assumed to be of five years from the date of their acquisition.

f) Depreciation :

The Depreciation on Tangible Fixed Assets is provided on written down value method (WDV) for the period of acquisition/construction i.e. from the period from which such assets were available for their intended use on pro-rata basis on the basis of useful life of each of the fixed assets as per Schedule II of the Companies Act, 2013 and in the manner specified in Schedule II of the Companies Act, 2013.

The intangible assets have been depreciated on pro-rata basis over period of their estimated useful lives on straight line basis i.e. @ 20.00%.

g) Inventories :

The company trades in fruits, vegetables and other perishable items which are purchased from the market as well as farmers. At times the trading inventories are stored/located at various locations including with farmers, traders, warehouse, cold storage etc. The fruits, vegetables and other perishable items due their nature, storage facilities and other affecting factors are subject to environmental and other effects and hence the quality and quantity of such items may change from time to time. The valuation of inventories of fruits, vegetables and other perishable items have been carried out by the management of the company keeping view all such factors and after physically verifying the stock located at various locations have valued inventories at cost or market value whichever is lower based on the assessment of physical conditions of various items by the management as to their quality and quantity. The items of packing materials have been valued at cost or market value whichever is lower.

h) Retirement Benefit :

The Company's contribution to Provident Fund and ESIC etc. is charged to the Statement of Profit & Loss. The company has not made provision for gratuity in respect of employee as it is charged to Profit and Loss account on cash basis. No provisions for leave encashment, bonus and other terminal employee benefits as may be applicable to the company have been made and are/ will be accounted for as and when paid.

i) Provisions, Contingent Liabilities and Contingent Assets :

The Company recognizes a provision when there is a present obligation as a result of a past event that probably requires an outflow of the Company's resources embodying economic benefits and a reliable estimate can be made of the amount of the obligation. A disclosure of contingent liabilities is made when there is a possible obligation that may, but probably will not, require an outflow of resources. As a measure of prudence, the contingent assets are not recognized.

j) Revenue Recognition :

All income and expenses are accounted on accrual basis. The Company recognised sale of Goods when it had transferred the property in Goods to the buyer for a price or all significant risks and rewards of ownership had been transferred to the buyer and no significant uncertainty existed as to the amount of consideration that would be derived from such sale. The recognition event is usually the dispatch of goods to the buyer such that the Company retains no effective control over the goods dispatched. Income from service charges of manpower supply services, handling charges, packing services, storage and warehousing and other services are accounted on completion of services for the respective client as evidenced by the issue of invoices for the respective service to that client and are accounted as per the date on invoice. Income from investments, where appropriate, is taken into revenue in full on declaration or accrual and tax deducted at source thereon is treated as advance tax.

k) Investments :

All investments are classified as long term investments as they are intended to be held for more than one year from the date when they were acquired. All investments are, initially recognized at cost The investments are carried at cost of acquisition.

l) Borrowing Costs :

The borrowing costs are debited to the Statement of Profit and Loss of the current year as they are incurred.

m) Taxes on Income :

Tax expense comprises of current tax and deferred tax. Provision for current tax is made on the estimated taxable income and at the rate applicable to the relevant assessment year under the Income tax Act, 1961. Deferred income taxes are recognized for future consequences attributable to timing differences between financial determination of income and determination as of income as per applicable tax laws.

NOTE No. 24 :

All the monies amounting to Rs.2.70 lacs received pursuant to the SME-IPO of the company which was listed on BSE-SME Platform on 31.03.2017, has been utilized for the purposes it was raised for and had been duly reported in the last audited financial statement and to BSE.

NOTE NO. 25: ADDITIONAL INFORMATION

- As informed by the management, the company has initiated the process of obtaining confirmations from suppliers as to their status as Micro, Small or Medium Enterprise registered under the applicable category as per the

provisions of the Micro, Small and Medium Enterprises (Development) Act, 2006 (MSMED Act, 2006). In absence of the relevant information as to the status of the suppliers, the balance due to Micro, Small and Medium Enterprises and interest due to them if any as per the provision of the Micro, Small and Medium Enterprises (Development) Act, 2006 (MSMED Act, 2006) could not be disclosed or provided.

2. In the opinion of the Board of Directors, Current assets, loans and advances have a value on realisation in the ordinary course of business equal to the amount at which they are stated in the balance sheet.
3. The classification of all items of asset and liabilities into non-current and current has been made by the management of the company based on conditions, terms of transactions and other relevant factors at the relevant time as envisaged by the management. In view of the management of the company all assets that are ordinarily realizable in the ordinary course of business have been classified as current assets though there may not have been any realization from such items during the year and may have been outstanding since long. Likewise, all liabilities that are to be settled within one year or in the normal course of business are classified as current liabilities though they may not have been settled during the year since last year.
4. The balances of debtors, creditors, advances to farmers, loans and advances and other assets and liabilities are subject to confirmation and subsequent reconciliations.
5. The books of account have been audited on the basis of such records and documentary evidences as were available with the management and produced before the auditors. Where such documentary evidences have not been made available to the auditors, the auditors have relied upon the entries as authenticated by the management of the company and information and explanations provided to the auditors by the management.
